

Medical Herbalism Discount Voucher

At Woodland Herbs our herbalists have helped hundreds of people with a huge variety of ailments. Our experienced and professional herbalists use natural medicines, lifestyle changes and dietary advice to help improve your health.

We believe our prices for consultations and medicines are very competitive and compare favourably with other professional herbalism clinics, however sometimes the first appointment can be more expensive, as an hour's consultation and one month's medicines are normally needed. To help you try the benefits of professional medical herbalism please feel free to use the discount voucher below.

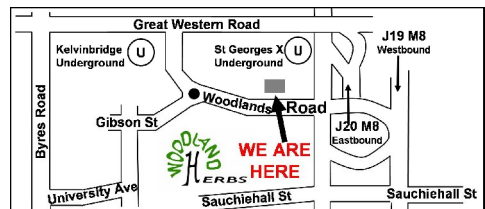

Internet Discount Voucher

Receive your first month's medicine free with your initial consultation.

Terms and Conditions: Only valid towards full price initial consultations and not valid in connection with any other offer. Only valid towards your first treatment Please bring this voucher with you. **Note:** A deposit will be requested when booking your consultation.
